

PM Modi congratulates Saina Nehwal

PM Modi wrote,

"The phenomenal accomplishments of @NSaina make us very proud. I congratulate her on being the World Number 1."

Saina scripted history by becoming the first Indian Woman Shuttle player to reach the number one spot in World Rankings, reaffirming her status as the Country's most consistent performer in the international circuit.

The 25-year-old, who has reached the final of the ongoing India Open Super Series here, zoomed to the top after her closest challenger for the position, Spain's Carolina Marin, lost in the Semifinal.
