Indian shuttler Kidambi Srikanth made a remarkable leap of nine places in the latest Badminton World Federation (BWF) Men's Singles rankings released on Thursday.

Backed by his semifinal appearance at the recently concluded Singapore Open Super Series, where he lost to World No.1 Lee Chong Wei of Malaysia, the Hyderabadite has risen to a career-best ranking of No.16. Parupalli Kashyap, on the other hand, maintained his 19th position.

Earlier K. Srikanth notched up victory in the summit clashes to clinch the Men`s titles at the 78th Senior National Badminton Championships held in December'13. It was a maiden title for Thailand Open Grand Prix Gold winner Srikanth.

In the Women's Singles, World Championship Bronze Medallist P.V. Sindhu re-entered the top-10 by moving a place to No.10 while ace shuttler Saina Nehwal remained at No.8.
