## **Sudirman Cup-like format for IBL**

Based on the Sudirman Cup format, IBL's major difference would be an additional Men's Singles match instead of the Women's Doubles. So a typical face-off would have two Men's Singles, one Women's Singles, one Men's Doubles and one Mixed Doubles matches played back-to-back.

In the Group Stage, all five Matches in a contest must be completed, even if a Team wins the first three. In the Knockout Phase, the Team winning the first three advances to the next stage and need not play the remaining two. In a Round-Robin format, each Team plays the other in a League spread across six cities viz. Delhi, Lucknow, Bangalore, Hyderabad, Mumbai and Pune.

## **Score Points**

Should each of the Players / Pairs have won one of two 21-point games, a 11-point tie-breaker would follow, the first to reach the said figure(s) being declared winner of the game / contest. The standard two-point difference to separate winner from loser will not apply here.

**Under a bonus points system, a Team thrashing its opponent 5-0 gets six points. For 4-1 and 3-2 verdicts it will be five and four respectively.** Should a Team not complete a Match, the result will be declared as 21-0, 21-0 in the opponent's favour, to decide Group positions.

Retiring / withdrawing during a contest will mean not completing the match. Two one-minute breaks in the first two games will be allowed when either of the players reaches seven or 14 points. In the decider, there will be a 60-second break when either of the players reaches six points.
