## CIRCULAR

To  
All Affiliated State Associations

**Subject: Guidelines Regarding Player Transfer and Participation Post-NOC**

Dear All,

Please refer to the practice of issuing **No Objection Certificates (NOC)** to players by their respective State Associations for transferring their representation from one State to another preferred State.

In this regard, it is hereby informed that **players who obtain an NOC from their existing State Association and are accepted by another State Association** will be subject to the following condition:

**"Such players shall not be permitted to participate in State-level tournaments of the newly transferred State for a period of six (6) months from the date of issue of the NOC."**

However, the **entry of such players may still be forwarded by the new State Association** for participation in **All India Ranking Tournaments / International Tournaments** during this period.

All State Associations are requested to **strictly adhere to these guidelines** for all future player transfer cases.

This circular is issued for **strict compliance**.

Yours sincerely,

**Sanjay Mishra**  
Hony. General Secretary  
Badminton Association of India
