The Badminton Association of India (BAI) is committed to maintaining fairness and integrity within the sport. The Association has taken serious note of recent age fraud complaints and instances of purported age frauds. To combat this issue and ensure a level playing field for all participants, BAI is implementing stringent measures against players found guilty of age fraud in BAI sanctioned tournaments. These measures are listed in the BAI's NEW Standard Operating Procedure (SOP) for Age Verification and Penal Code which has been approved in the Executive Committee Meeting and the Annual General meeting (AGM) of BAI held on May 21, 2023 at Guwahati.
