Sub: Domestic Circuit 2021-22

Dear All,

Please refer to our letter no. BAI/Events/152/2021 dated 28th June, 2021 vide which we have intimated that we are going to start the domestic circuit for the remaining period of 2021-22 since we have seen the improvement in Pandemic situation created by Covid – 19.

We all know that for conducting of All India Level Tournaments, it is absolutely necessary that the Train services become normal since players from all over Country will participate in the Tournaments. We expect that with the gradual improvement in the Pandemic situation, communication system will also start functioning all over the Country.

It is advised that the Players, Coaches and Technical Officials of above 18+ groups of all the Affiliated Units may try to get vaccinated earliest, so that when the All India Level Tournaments of above 18+ groups are started, all can participate in the same freely.

We shall be informing you about other formalities as per the Government guidelines issued from time to time.

Thanking you,

Ajay Kumar Singhania
Hony. General Secretary
