Job Description:

The BAI National Centre of Excellence in Guwahati, Assam, is seeking a skilled and dedicated Sports Psychologist to join our esteemed team. As a sports Psychologist, you will play a vital role in supporting the mental well-being and performance of Badminton players. Your expertise will contribute to the overall psychological development and success of athletes at both national and international levels.

Responsibilities:

- Provide individual and group counselling to athletes to enhance their mental resilience, motivation, focus and performance.
- Conduct psychological assessments to identify athletes' strengths, weaknesses and areas for improvement.
- Develop and implement personalized mental training programs to address athletes' specific needs and goals.
- Utilize evidence-based techniques, such as goal setting, visualization, relaxation and self-talk, to optimize athletes' mental preparation and performance.
- Assist athletes in managing stress, anxiety and other psychological challenges related to training, competition and performance.
- Collaborate with coaches, support staff and sports medicine professionals to create an integrated approach to athlete development.
- Conduct workshops and educational sessions for coaches, athletes and support staff on topics related to mental skills training and sports psychology.
- Stay up-to-date with the latest research, trends and advancements in sports psychology and incorporate them into practice.
- Provide crisis intervention and emotional support as needed.
- Maintain accurate and confidential records of counselling sessions and assessments.

Qualifications:

- Master's or Doctoral degree in Sports Psychology or Clinical Psychology with a specialization in sports.
- Certified Sports Psychologist or licensed psychologist with relevant experience in sports psychology.
- Minimum of 3 years of experience working as a sports Psychologist with athletes or sports teams.
- In-depth knowledge of psychological principles and techniques related to sports performance, motivation, goal setting and stress management.
