- ii. Interstate-Registration issue: Sh. Nileen Kumar raised the issue by informing that when a doubles pair consisting of two players from different states play together, then in that case, few states are levying monetary charges for registration on the other state player. Hon'ble President advised all the State Associations to not charge anything from the player in such cases.
- iii. Card fines-players & coaches behavior: Sh. Nileen Kumar shared a recent incident that took place during the U15 & U17 Tournament in Hyderabad tournament where he was appointed as an observer. He stated that the behaviour of the players & coaches was highly inappropriate and he therefore requested to put a financial fine on the player which shall be deposited mandatorily before he / she sends the entry for the next tournament. Sh. Omar Rashid in agreement with Sh. Nileen Kumar also shared a similar incident from another tournament, and further added that clothing related fines shall also be levied. Hony. General Secretary agreed with Sh. Omar Rashid and informed that a fine of \$250 is being charged against inappropriate clothing in the international level tournaments, therefore a similar regulation should be followed in the domestic tournaments as well. Sh. Sekhar Biswas also participated in the discussion and mentioned that it is the prerogative of the Technical Officials, mainly Referee who should be following the BWF regulations and show the black card to the player or throw the concerned coach out of the arena, in case the code of conduct is not up to the mark. Sh. P. Gopichand put forward his view point about the clothing regulations mentioning that it will be strain on the young players to coordinate their clothing with their partners for each event. Sh. GL Verma expressed his agreement with Sh. P. Gopichand. Hon'ble President suggested to prepare a draft on this matter for further discussion.
- iv. Aadhar History Verification Report at the time of ID Registration: Sh. Nileen Kumar stated that as per the BAI circular issued earlier in this regard, the Aadhar History Verification is being done on the basis of the complaints received, however, he requested that for every new registration, State Associations should have a provision in the BAI ID form to get the Aadhar history, so that player is not disturbed every time during their tournaments.

Sh. K. N. Jaiswal also spoke that there should be compact & fixed rules & regulations laid down by the BAI for the different cards shown to the players during the State tournaments, rather than following the BWF rules. Sh. Omar Rashid highlighted that many players & coaches have made a genuine request to him during the Pune tournament, regarding the points system, wherein the player expressed that even after playing many qualification rounds, if they lose the match in the finals, no points are awarded to them. Sh. K. N. Jaiswal also supported it by saying that since last two years we are requesting for the same. In this regard, Sh. Sekhar Biswas came forward and apprised the members that the point-system will be implemented soon.

Sh. Omar Rashid & Sh. P. Gopichand then talked about the structural changes in the Level-1, Level-2 & Level-3 tournaments which were duly recommended and approved in the year 2020, however due to Covid-19 the same could not be implemented. Hon'ble President also mentioned that the idea behind these structural changes were to get the entries of the Top Players willingly in the National events by giving away a handsome amount of prize money super national events / tournaments, and the same shall be discussed upon in the month of January, 2025 onwards after the sponsorships is decided with the YONEX.

- v. Representation in two countries for Players, Officials & Coaches, Players having two BWF ids: He mentioned that some players are having BWF Ids from India and also of other Country and they are playing in the Tournaments in India as well. Hon'ble President advised to debar such players with immediate effect.

Sh. Nileen Kumar also proposed to conduct BWF Level- I Coaches Programme in India and on this Sri Ve. Arunachallam mentioned that Tamil Nadu Badminton Association is ready to conduct the BWF Level- I Coaches Programme. President advised Hony. General Secretary to look into the matter.

Sh. Nileen Kumar and Sh. Rajesh Reddy further urged to charge the entry fees + GST from the player to lower the tax burden on the State Associations. Hon'ble President asked to examine the same and announce that the issue shall be resolved suitably.

On the above, Hony. General Secretary mentioned that such provision of disaffiliation is not there in the BAI Constitution to which Sri Sekhar C. Biswas supported. President mentioned that an Annual Report may please be sent by Affiliated Units to the Hony. General Secretary highlighting the activities throughout the year.

e) Mail Received from Airport Authority of India:

Mr. G. L. Verma expressed that this year Airport Authority of India did not participate in the All India Institutional Badminton Tournament since BAI have taken a decision not to allow contractual players in the All India Institutional Badminton Tournament since other PSUs have been objecting severely who are having permanent employees only. Mr. Verma mentioned that from last many years they have been supporting many players by giving job on contractual basis and such a decision will deprive many players. Hony. General Secretary mentioned that since other PSUs are giving permanent employment and those players are playing in the Tournaments, BAI's request is that Airport Authority of India may consider giving permanent employment to the players. He suggested that for all Ranking Tournaments, one (01) day may be increased except of U-13 Ranking Tournament. Members agreed to the same.

i) Considering the increased the prices of the shuttlecocks and other operational costs, Sh. Omar Rashid suggested that the entry fees for single and doubles events should be increased from Rs. 1,000.00 and Rs. 1,500.00 to Rs. 1,500.00 and Rs.
